In-school loans

iHELP Private Student Loan for Farmers-Merchants National Bank.

There are many ways to pay for the cost of a higher education. After considering all your federal loans, scholarships and grants you may still have a gap you need to cover to pay your total college costs.

Farmers-Merchants National Bank works with the iHELP Student Loan program to provide you an attractive private student loan that can help you to cover that gap.

- * Competitive interest rates
- * No origination or repayment fees
- * Flexible repayment options
- * Easy to apply and responsive customer service

iHELP helps to meet your financing needs for college.

Important: Applying with a cosigner may help you to qualify for the loan and possibly receive a lower interest rate.
